Brand Discovery

Health.online

Health.Online is an online doctor portal which consists of a worldwide network of 150+ doctors and health professionals across a wide spectrum of specialty areas who connect the doctor's pen with the patient's needs. It is 24/7 facility available with no waiting time. A patient has to take three steps (*Signup - Provide the issues, choose the symptoms - Book*) to book an appointment. It serves the needs for Medical conditions, fitness & nutrition & Parenting.

www.health.online

Target Audience

Primary

Patients

People having health concerns, different medical condition, nutrition concerns are the primary audience of the company. There is no particular age group to be targeted. Everyone faces various medical issues, health and fitness consultancy over the lifetime. Thus, health.online serves everyone's needs.

Secondary

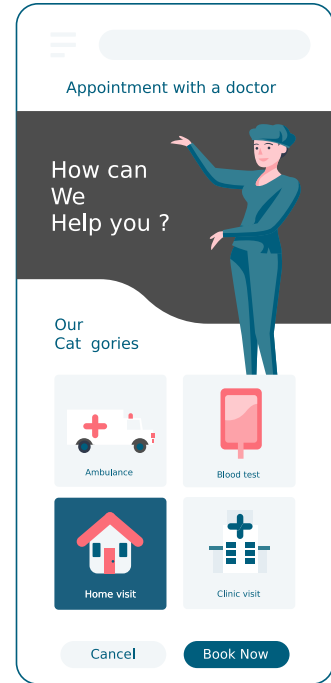

Doctors

Currently there are 150+ specialist connected with health.online from the world wide. Health.online connects with various specialist and builds a community of doctors to provide right treatment by providing an option of partnering with them.

Tertiary

Readers

There are 1000+ blogs currently on the health.online website. Blogs regarding home remedies, symptoms of medical condition, nutrition, fitness and parenting that serves the health readers. Thus they are the tertiary audience.

Quality Healthcare Made Simple!

Our Guiding Principle
Based around the foundational principles of trust, responsibility and transparency, Health.Chline is an effort to serve the doctor-patient dynamic using the unique power of the internet.

What We Do
At Health.Chline we believe in the transformative power of information. Delivering accurate information in the hands of people and patients who can use it to make a healthy change, is what drives the Health.Chline team. Our objective is to cut through the noise and dispel the disinformation that patients and users looking for healthcare information encounter on the web.

Who We Are
At Health.Chline we believe in the transformative power of information. Delivering accurate information in the hands of people and patients who can use it to make a healthy change, is what drives the Health.Chline team. Our objective is to cut through the noise and dispel the disinformation that patients and users looking for healthcare information encounter on the web.

Our approach to healthcare

Connect Trust Transparency

We ought to build a healthier nation

Found affordable care over expensive procedures. [Read Full Story>>](#)

My search for a good gynecologist ended here. [Read Full Story>>](#)

What doctors say about us

We have been associated with Health.Chline for over 10 years, and it has been incredible to be in the journey for a good cause. Health.Chline provides a means of access to care and health information that our patients find helpful. Health.Chline provides right tool to connect with our best healthcare technology to maximize our operations. Moreover, it also provides patients with right tool to connect with our best healthcare providers and choose an exceptional experience.

Ways We Help

The session here are divided with easy to understand icons and manage the flow of the page. When audience chooses the option yellow color would appear on the text to show that the option is selected.

This is the new testimonial section added to the website. It is readable and has been created to inculcate trust among the audience.

The screenshot shows the HealthOnline website. The main header features the logo and navigation links. Below is a hero section with a family photo and the tagline "From general to complex care, we've got you covered." A "Ways We Help" section contains four icons: Medical Condition (highlighted in yellow), Health & Wellness, Mental health, and Health Insurance. The "Medical Condition" page is shown below, detailing services for adults and children, listing U.S. Certified Doctors, and including a testimonial from Amy Daniel, a 32-year-old traveler.

A vertical navigation menu for the HealthOnline website. It includes a search bar at the top, followed by a family photo and the tagline. Below are icons and text for "Ways We Help", "Medical Condition" (highlighted in yellow), "Health & Wellness", "Mental Health", and "Health Insurance". At the bottom, there are social media icons and a "Sign Up" button.

Ways We Help: Medical Condition

This section has been incorporated from the old website for the purpose to serve the needs of the audience.

The flow of the medical condition when chosen will have all the symptoms and options of doctors available on the right to book an appointment easily.

Related blogs about the particular medical condition selected would appear for a good read.

The screenshot shows the HealthOnline website interface. At the top, there are navigation links for 'Medical Conditions', 'Health & Fitness', and 'Health Insurance'. Below this, there are three calculator widgets: 'BMI Calculator', 'Ovulation Calculator', and 'Fitness Calculator'. A search bar for 'Medical Conditions A-Z' is present. The main content area features a featured article titled 'Beat the Anxiety, before it beats you' with a sub-heading 'Anxiety Disorder: Common concerns'. Below the article, there are three related articles: 'Risk Factors for Anxiety Disorders', 'Separation Anxiety Disorder', and 'Selective Mutism'. The footer contains social media icons, a 'HealthOnline' logo, and links for 'Privacy Policy', 'Sign Up/ Login', 'Partner with Us/Careers', and 'FAQs'.

The screenshot shows the HealthOnline mobile app interface. It features a search bar for 'Medical Conditions A-Z' and a list of medical conditions including 'Allergies', 'Anxiety', 'Asthma', 'Cancer', 'Diabetes', 'Heart Disease', 'Hypertension', 'Mental Health', 'Pain Management', 'Pediatrics', 'Pregnancy', 'Skin Conditions', 'Surgery', 'Trauma', and 'Women's Health'. A featured article titled 'Beat the Anxiety, before it beats you' is displayed, along with related articles: 'Risk Factors for Anxiety Disorders', 'Separation Anxiety Disorder', and 'Selective Mutism'. The app footer includes social media icons, the 'HealthOnline' logo, and links for 'Privacy Policy', 'Sign Up/ Login', 'Partner with Us/Careers', and 'FAQs'.

Blogs & Quizzes

The blog section will include a lot of blogs. Thus, to incorporate all a load more button has been set up.

The section also includes Quizzes and Real time stories for engaging the audience.

The screenshot displays the Healthline website's content area. At the top, there are navigation tabs for 'Nutrition', 'Fitness', and 'Parenting'. Below these, the 'Blogs: Nutrition' section features three columns of article cards. Each card includes a thumbnail image, a title, a short introductory paragraph, and a 'Read More' link. The first column contains articles about nutritional mistakes, natural treatments for COVID-19, and healthy snacks for binge-watching TV. The second column covers prevention of hair loss. The third column discusses causes of hair loss. Below the blogs, a 'Quizzes: Nutrition' section is visible, featuring a 'Load More' button and several quiz cards. Each quiz card has a title, a brief description, and a 'Take the Quiz' button. The quizzes include 'Is your daily diet hurting your arteries?', 'Which Nutritional Deficiencies Do You Have?', 'Test your Paleo Knowledge', 'Which supplements do you need?', and 'How Well Do You Know Your Fruits?'. At the bottom of the main content area, there is a 'Real Stories' section with three article cards, each featuring a thumbnail, a title, and a 'Know the Story' link. The footer of the page contains the Healthline logo, social media icons, and various links such as 'Privacy Policy', 'Terms & Conditions', 'Sign Up/ Login', 'Partner with Us/Careers', and 'FAQs'. A disclaimer at the very bottom states: 'Note: If you have an emergency, call 911 or go to your nearest emergency room. Healthline Doctor does not offer emergency services.'

The screenshot shows the Healthline mobile app interface. At the top, there is a search bar and a 'Choose your category' dropdown menu. Below this, there are several rows of content cards. The first row shows a 'Blogs' category with a card for '5 Natural Treatments for COVID-19'. The second row shows a 'Quizzes' category with a card for 'Is your daily diet hurting your arteries?'. The third row shows a 'Real Stories' category with a card for 'My Battle Against Workplace Stress'. At the bottom of the app interface, there is a 'Healthonline' logo and a 'Contact with us' section featuring social media icons for Facebook, Twitter, Instagram, and YouTube. Below these icons, there are links for 'Shop', 'Privacy Policy', 'Partner with Us & Careers', 'Sign Up/ Login', 'News & Guides', and 'FAQs'.

Consult A Doctor Page

The section includes the basic consultancy charges and a form to fill for the patients to set up an account or book an appointment in minutes. The flow of page is simple and easy to understand with good color options.

Hi Lisa, Fill your details below to consult us!

Standard Health Referral Consult
 Pricing: \$100
 Consult with a specialist who is trained in patient to doctor matching. Finding the correct doctor is essential for optimal treatment and outcomes. Our specialist use advanced ranking systems to find the best doctor in your area for both the medical conditions and health insurance you have.

Standard Health Insurance Consult
 Pricing: \$100
 Consult with a specialist who is trained in patient to doctor matching. Finding the correct doctor is essential for optimal treatment and outcomes. Our specialist use advanced ranking systems to find the best doctor in your area for both the medical conditions and health insurance you have.

Standard Wellness Consult
 Pricing: \$95
 Consult with a specialist who is trained in wellness coaching. Our wellness team will help you understand what measures you should be taking in terms of health surveillance and maintenance in order to reduce risk of various medical conditions. In addition, general information on which diets and exercise programs would be best for you are offered.

Premium Health Insurance Consult
 Pricing: \$1000
 With the premium consult you will connect with one of our top wellness experts for a complete and comprehensive overview of your current health status. From diet, choice in doctor, the type of environment you live, medications you take, clinical studies that you may qualify for, mental and emotional factors, everything will be reviewed, assessed, and tailored to your personal health needs.
